Profile

I'm an aspiring Software Engineer currently studying BSc. CSIT with interest in the web development and network programming. With a passion for problem-solving and a strong foundation in software development principles, I am eager to contribute to innovative projects and make a positive impact in the technology industry. I bring a combination of technical expertise, a strong work ethic, and a dedication to continuous learning and am ready to embark on a challenging and rewarding career where I can contribute to the development of impactful software applications and grow as a professional.

Education

Bachelor of Science in Computer Science and Information Technology

2019 - present

Sagarmatha College of Science & Technology
(Tribhuvan University)

Projects
